

## Datasheet: Cable Stripper/Cutter DZ-HTS501B

### 1. General Information

- **Brand Name:** Dingzhen Technology
- **Product Name:** Cable Stripper/Cutter DZ-HTS501B
- **Product Code:** DZ-HTS501B
- **Color:** Dark Grey

### 2. Physical Specifications

- **Material:** High-quality ABS material
- **Dimensions:**
  - Length: 110 mm
  - Width: 16 mm
  - Height: 27 mm

### 3. Features

- **Multi-functional:** Designed for stripping and cutting cables.
- **Ergonomic Design:** Easy to handle and operate.
- **Durable Construction:** Made from high-quality ABS material for long-term use.
- **Compact Size:** Portable and convenient for on-the-go use.

### 4. Applications

- **Telecommunications:** Ideal for use with telephone cables.
- **Networking:** Suitable for network cable preparation.
- **Electrical Work:** Useful for various electrical installations and repairs.

### 5. Usage Instructions

- **Stripping:** Place the cable into the designated slot and squeeze the handles to strip the insulation.
- **Cutting:** Use the cutting edge to trim cables to the desired length.

### 6. Package Contents

- 1 x Cable Stripper/Cutter DZ-HTS501B
